

CREDIT INSURANCE FOR SMALL, MEDIUM & MICRO ENTERPRISE BUSINESSES

EasyLiner is an insurance package to protect you against unpaid invoices at home or abroad. The package includes three essential elements to ensure effective management of the credit you grant to your customers.

Benefits of EasyLiner:

- 1. COVER YOUR INVOICES**

Check our opinion on your clients and prospects online. Obtain guarantees in a few clicks to cover your sales. Coface's opinions are based on our worldwide network of risk experts with their local knowledge about your prospects or customers. They analyse the relevant financial data on companies, sectors and country risks on an ongoing basis so we can alert you to potential risks.
- 2. COLLECTION YOUR RECEIVABLES**

Report unpaid guaranteed invoices online. Manage the collection of your receivables domestically and across the globe. Optimise your collection rates and maintain your trade relations backed up by our capable teams!
- 3. INDEMNIFY YOUR LOSSES**

Whatever happens with your customers covered by us, you will be indemnified against the loss you incur from unpaid invoices after submitting your claim. As a result, your cash flow will be preserved and your loss will be mitigated, enabling you to continue business as usual.

EasyLiner

An all-inclusive policy that works for you

Designed for and dedicated to companies with a turnover **under R40 million.**

Are you the director or financial manager of a small business whose daily life is hectic? Make your life easier with EasyLiner:
